Total Control Training, Inc.

The final day of the 2018 SMSA National Training Summit will be held at the [Prairie City State Vehicular Recreation Area](#) in Rancho Cordova, CA, 30 minutes from Sacramento.

Experience a replica of the California Motorcyclist Safety Program's Professional Development Workshops. The PDW will showcase three riding events on various locations within the Prairie City Recreation Area:

- closed circuit/track riding on the twisty Prairie City go-cart track;
- dirt bike riding;
- and a gymkhana course

Riders are encouraged to bring their own motorcycle, if possible. If you are without your motorcycle, various demo bikes will be provided for use on the track and on the gymkhana course. Dirt bikes and full dirt bike gear will be provided for all riders.

There will also three classroom sessions, related to how to be a better:

- motorcyclist, and
- instructor

Non-riders are welcome. It will be a fun day for everyone! Please join us to experience the latest trend in Motorcycle Safety.
